Agenda

Valentines Disco/Event

Denver Village hall is booked as of 21/01, 17:30PM, by Ben. G. For Tuesday 11th Feb 2025. Ben will collect keys and will require assistance to help set up/run/clean up on the day. Will ask in the whatsapp group for further volunteers.

The DJ has availability but is £125, which is a lot more than we've previously paid. This may force us to raise prices and alienate people from being able to attend. Other ideas have been considered, such as Disney sing-along bingo, with various activities dotted around, although it was brought to my attention last night that that may cause excessive noise and disruption to those who are trying to watch/play along. A poll will be added to the main group to get a better idea of what people think.

Gate Light

Mrs Jones has asked if we would be happy to donate funds to purchase a light to have at the school gate for winter nights to be able to see parents on the main field. Ben has spoken with Mr Cawley, as Mrs Jones believes he's the best person to delegate this too, and he's suggested a rechargeable, collapsable, mini floodlight. They range from about £50 - £200, if we're happy with that price range, Ben will liaise with Mr Cawley and see what can be done.

Crazy Hair Day

We have provisionally penciled in crazy hair day for Wednesday, 26th Feb 2025. Ben will speak to Mrs Jones and check that the date is ok.

Other

Another meeting will be required after half term to finalise the events we will be organising and running around Easter.

AOB

Banking should be sorted this month so we can finally have access to bank transfers, cheques have been a no go at this point. Ben has spoken with Harrods Coaches regarding the payment we owe for the pantomime.

DBS checks are required for all volunteers, it is free to get. Please contact Nikita in the office to start the process. This is something Mrs Jones has requested.
