Ambition

Our Christian ethos is our fundamental and guiding principle. The two core values which underpin our partnership are **Love** ('agape' -self-giving Christian love) and **Community** ('koinonia').

Our Christian vision is **to seek to discover and celebrate whatever is good in each individual** through the values of **Discover, Value, Celebrate and Praise**.

Together we seek to be both excellent and distinctive, celebrating our Church of England status alongside being a special place of teaching, learning and worship for those of all faiths and none.

We believe that all people should be valued and treated with equal respect. In our community everybody is included in God's love and care, and we support one another to live a life in all its fullness through wisdom, hope, community and respect.

Let your light shine

Commitment

We have agreed on a set of practical commitments to deliver our ambition. These are set out in our PSC Plan (copies available).
