

Worship Ambassadors Leading Collective Worship

On 10th June 2025, our Worship Ambassadors (Jack, Isla, Seren and Jake) planned and delivered a collective worship on our Christian value for this half term, perseverance.

They planned this with the help of Carole, our Chair of Governors. They decided on having an acrostic using the letters for perseverance, as can be seen below.

Jake said a 'hand' prayer and they chose the song 'Living and Learning' to conclude the worship.

Well done to our fantastic worship ambassadors!
