

# VE Day

As you will know, this Friday marks the 75<sup>th</sup> anniversary of VE Day.

We would like the school community to come together to share what we are all doing to celebrate this important day.

You could make some bunting, have a tea party, draw a picture, paint your face, bake some cakes, make a flag ... the list goes on! Twinkl have some really good resources to get you started.

Please email the school with photos of what you and your family are doing to celebrate VE Day. We will then create a collage in school to show how our school community celebrated.

We very much look forward to seeing your ideas/photos.
