

Hello Class 3!

I hope you had a great Easter and had at least a little bit of chocolate! I had a Galaxy Easter Egg which was delicious.

I am sorry that I was not there at the end of term. Sally, my partner had a heart attack. It was very scary for us all. We are taking good care of her and she is getting better. She has been knitting pairs of hearts for patients in hospital. The person who is ill in hospital gets one heart and the other one goes home to their family. We thought it was a lovely thing to do.

It is very strange for us all being at home. It was my brother's birthday yesterday and it was weird to sing "Happy Birthday" on Skype with the rest of the family. I have coloured in some rainbows for the front window, they look ok but I am sure you have done much better ones.

I have been washing my hands a lot, following the good advice from your posters, I hope you have as well.

Remember, be kind to your family (even the annoying brothers or sisters).

I miss you all
Mr Bonham
