SPORTY'S DAY

Dear children and families,

The term is drawing to a rapid close and it has been very sad not to have had a sports day this summer. Many of the children have mentioned how they've missed taking part.

Today we received some information from Norwich City Community Sports Foundation in conjunction with Premier League Primary Stars about 'Sporty's Day' - a character whose aim is to enable you to have a simple and fun sports day. Unfortunately, this is not possible in the remaining time we have left in school but may be something that you would like to try over the course of the holidays. The resources and clips are attached and here is the message:

The resources are finally here! We hope you and your pupils can make use of these over the next few days.

The PDF attached has all your pupils' needs to take part in a sports day at home or in school. Feel free to complete everything or pick and choose what best fits your pupils for best results. As mentioned previously we have tried to make this compatible for all your pupils so please make it available to those at home in your respective ways. There are some additional [cross-curricular resources](#) (by clicking on this link) which complement the day nicely which are slightly "one size fits" but we hope with help from school staff and parents could be adapted to suit the younger ages.

*New to this experience ourselves, your feedback and comments on the process and how the resources could be improved would be warmly received. **Remember any sharing of photos on twitter (parent/school) of the event with the #sportysday to @norwichcitycsf will be guaranteed a prize for your school from us (PL poetry bag, NCFE goody bag, an in school training session).***

We hope at the very least this inspires and engages your pupils to be active and they enjoy taking part.

Many thanks

Jake Mardell

Primary Stars Development Officer

It would be fantastic to see your entries and I'm sure that you'll really enjoy the activities. They'll help to break up the long summer break.

Thank you for your continued support.

Mrs D Henden

PE Coordinator
