

# Class 3 Christmas Decoration Day 2021

On December 3<sup>rd</sup> Class 3 joined in with the annual Christmas Decoration Day. This is a complete day devoted to art and practical activities to create cards, ornaments and cards around the theme of Christmas. We designed images to go on our baubles which we then painted and decorated, we created our own double-sided Christmas Slider Card, we practised our colouring skills and had a competition to see who could colour the best chimney. We used pencils, paper collage, painting, drawing and our cutting skills.
